

[Allow Cookies for the customer website on your computer](#)

Your computer does not allow Cookies of the website. Please see below how you can change this. If you are not working with Internet Explorer 7 or 8, please contact your IT department.

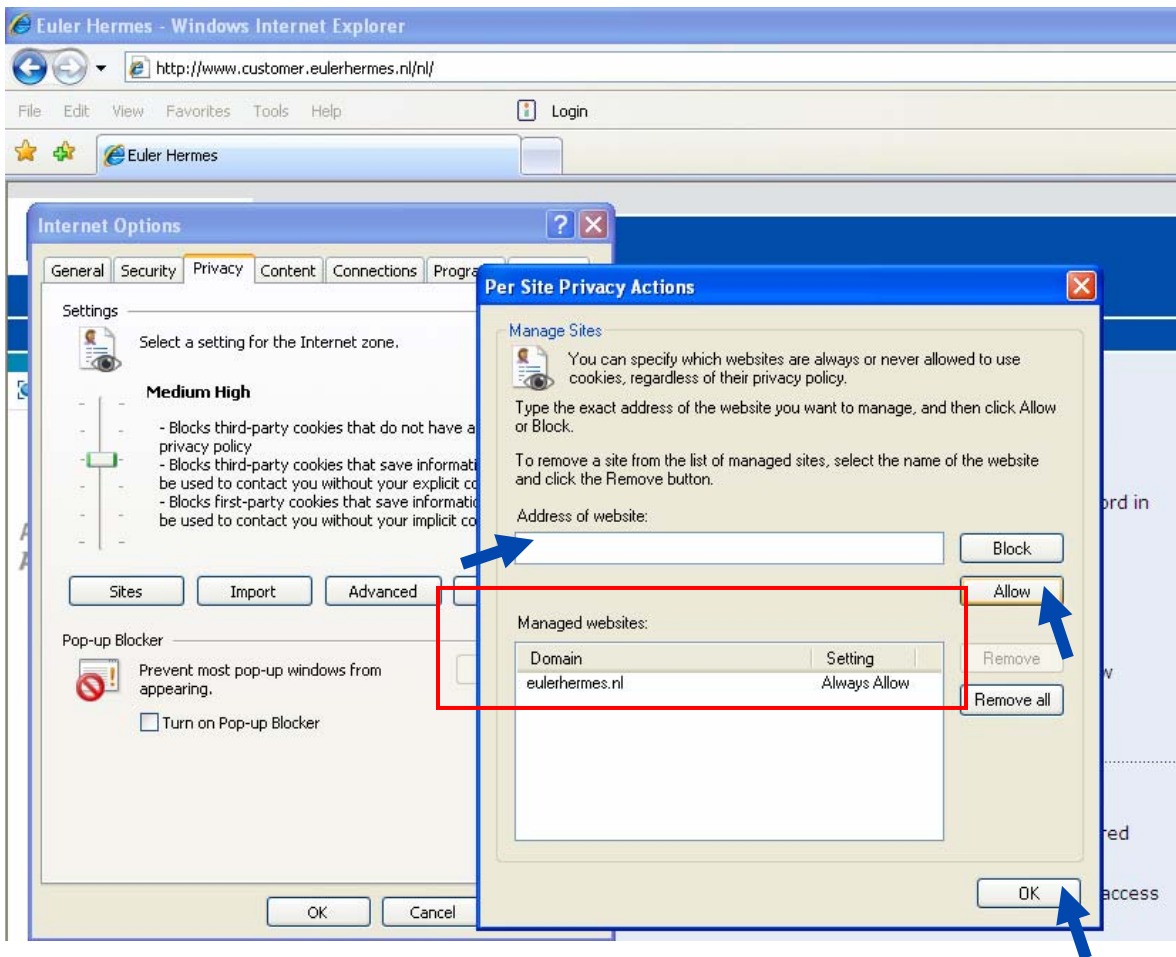

Step 1. Go to the toolbar and click on 'Tools' and then on 'Internet Options'.

Step 2. Click on the 3rd tab 'Privacy'. Afterwards, click on the button 'Sites'.

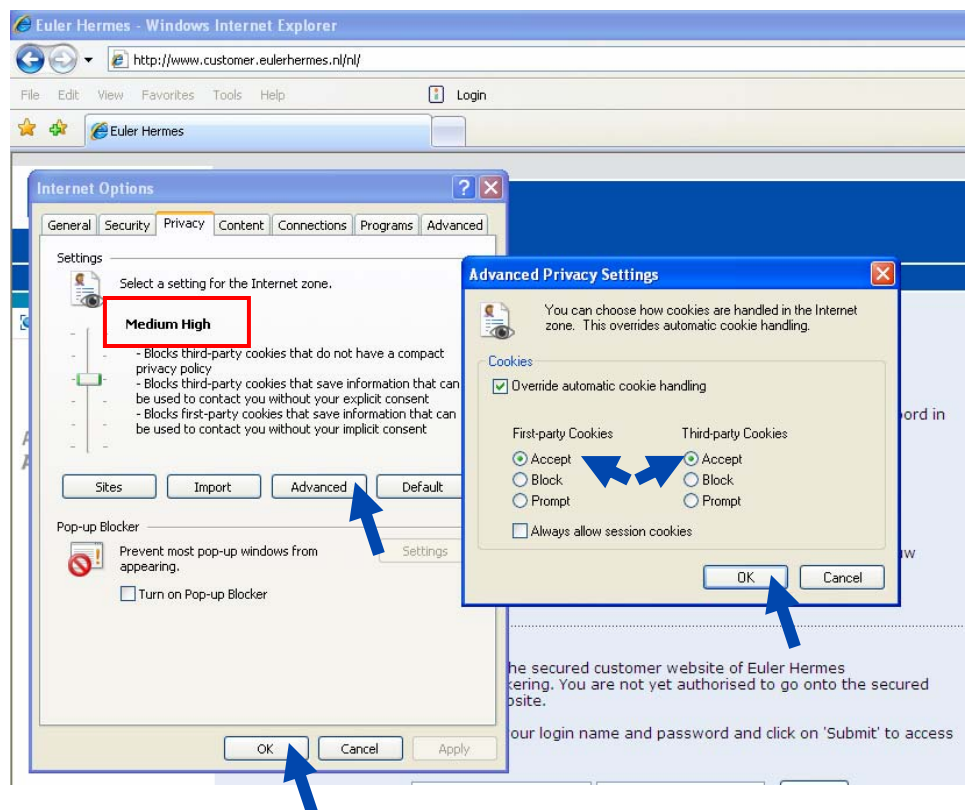

Step 3. At 'Address of website', enter the domain eulerhermes.nl and click on 'Allow'. This domain is then automatically registered in 'Managed websites'. Click on 'OK'.

Step 4. To make sure all Cookies are allowed click on 'Advanced' and accept Cookies via 'Accept'. Click on 'OK' in both screens.

The best Internet Setting to reach all pages of the customer website is: 'Medium High'.

The secured customer website of Euler Hermes is currently in maintenance. You are not yet authorised to go onto the secured website. Please return later. To access our login name and password and click on 'Submit' to access the website.
